

Formulated For The Professionals

VT-754 Timberbond 754

Water-based Wood Flooring Adhesive

Timberbond 754 is a cost effective water-based adhesive featuring medium solid content (medium water content) suitable for plywood to floor screed bonding applications. It is an easily trowelable thixotropic paste available in white colour. It dries to form a strong bond between plywood and floor screed.

Applications:

Ideal for general wood working purposes, including wood, MDF Board, particle board, plywood assembly etc. Good for the bonding of plywood to floor screed in plywood base wood flooring applications.

Applicable Test / Standard:

1. Low VOC - USEPA Method 24 under SCAQMD rule 1168

Available color: White

Item Code	Content	Carton Quantity
VT-754PP20K	20.0 kg Pail	-
VT-75420K	20.0 kg Carton	-

Features

- Cost effective
- Medium solid content (Medium water content)
- Bonding plywood to floor screed
