

*Formulated For The Professionals*

# VT-560 VT-561 Valve Grinding Paste

## Grinding Paste

Valve Grinding Paste is a fine grade paste used for the finishing work in the grinding application. It is specially formulated for valve grinding and seating applications in automotive, marine and industrial applications. It can be used for hand or machine grinding.

### Applications:

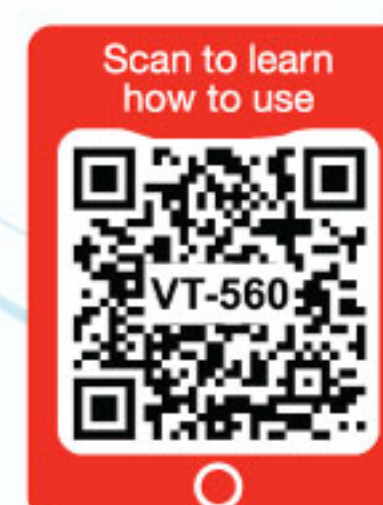

Effective in removing burrs, surface defects, corrossions, gums and carbon deposits. Use the coarse paste for thick deposits, then the fine paste for finishing.

Available colour: Grey
