

Formulated For The Professionals
Adhesives & Sealants

HEAD LIGHT

VT-160 / VT-169 Vital Tape - Butyl Sealant

Butyl Sealant

VT-160 Vital Tape is an ever-tacky, black colour, butyl sealant with good adhesion to most surfaces. It offers a fast and clean method for glass installation with instant adhesion.

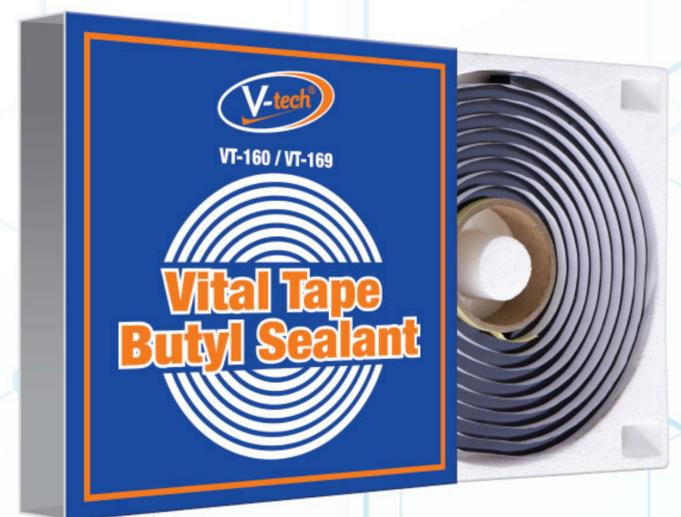

Applications:

It is specially formulated for use as a placement sealant tape for installation of windscreen, tail light and etc. It will remain permanently sealed and waterproof between the glass and pinch weld, metal and plastic.

Applicable Test / Standard:

1. Sirim Test - ASTM D1000-1999

Available colour: Black

Features

- Good adhesion to most surfaces
- Seal against water and air
- Remain permanently sealed
