

Formulated For The Professionals

VT-871 Threadlocker (High Strength – Red)

Medium Strength Threadlocker

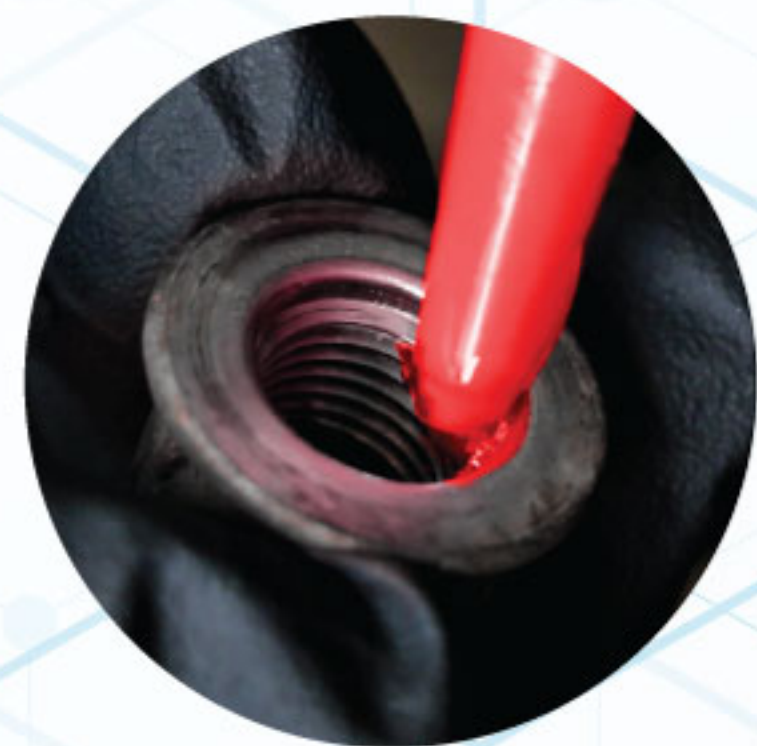

VT-871 is a red color, all purpose, permanent high strength threadlocker formulated for locking and sealing of threaded fasteners which require normal disassembly with standard hand tools. It cures when confined in the absence of air between close fitting metal surfaces. It locks bolts and nuts up to 25mm diameter, preventing loosening due to vibration, and sealing against leakage and corrosion. It is designed to withstand heavy shock, vibration, or extreme chemical or environment conditions.

Applications:

It eliminates double nutting and or welding of critical assemblies. Ideal for applications that will not require periodic disassembly. It is suitable for assembly with air tools, cylinder block bolts, ring gear bolts, transmission shaft bolts, pump and motor.

Available colour: Red

Item Code	Content	Inner Box	Carton Quantity
VT-871-6	6 ml Tube Carded	12	144 / Carton
VT-87150	50 ml Bottle	12	144 / Carton

SEALING THREAD

PREVENT THREAD RUST

Features

- Prevent loosening due to vibration
- Permanent high strength
- Locks bolts and nuts up to 25 mm diameter
- Designed to withstand heavy shock, vibration, extreme chemical or environment conditions
