

Formulated For The Professionals

# VT-400 VitalProof BX

## Bitumen Emulsion Coating

VT-400 VitalProof BX is a heavy duty multi-purpose waterbase bitumen emulsion coating for jointless waterproofing compound and allows high water vapour permeability against the blistering.

### Applications:

**General Waterproofing:** concrete, brick, bitumen & mastic asphalt membranes, cement, tiles, lead copper, zinc, corrugated iron and similar surfaces.

**Wet Area Waterproofing:** toilet, kitchen, balconies, walls, planter box, insulation protection, etc.

**Metal Protection:** against pipe corrosion, structural steelwork, gutting and down pipes, shed walls water tanks, outdoor machinery and other metallic equipment.

Available colour: Dark brown

| Item Code  | Content      | Carton Quantity |
|------------|--------------|-----------------|
| VT-4004K5  | 4.5kg Pail   | 4 / Carton      |
| VT-40018K  | 18.0kg Pail  | -               |
| VT-40020K  | 20.0kg Pail  | -               |
| VT-400200K | 200.0kg Drum | -               |

### Features

- Ready to use
- Odour-less
- Durable coating
- Fungus resistance
