

Formulated For The Professionals
Adhesives & Sealants

VT-628 Power Screw

Instant Grab Adhesive Sealant

A one-component, instant-grab adhesive sealant based on advanced MS Polymer technology. The instant-grab feature eliminates the need of bracing, nailing, screwing and other fastening devices. It is solvent, silicone, and isocyanate-free and non-staining for porous substrates applications. It is excellent in UV, weather and temperature resistance. Adhesion is great over a wide variety of substrates and is paintable with common industrial paints.

Applications:

It may be used without primer, to bond bathroom accessories, panel, skirting board, windowsills, stripes, thresholds, mirrors and insulation materials. It is also widely used in coach work and metal connecting joint in shipbuilding industry.

Applicable Test / Standard:

- 1. Low VOC - USEPA Method 24 under SCAQMD Rule 1168

Available colour: White

Item Code	Content	Carton Quantity
VT-628	290 ml Cartridge	20 / Carton

Features

- Instant grab (No support required)
- High strength bonding
- Primerless bonding to most substrates
- Environmentally-friendly (Low VOC)
- Good UV, weather and temperature resistance
