

Formulated For The Professionals
Adhesives & Sealants

VT-766 Premium D2 Wood Glue

A premium D2-grade wood glue formulated for indoor woodworking applications with limited exposure to high humidity. It offers quick setting, superior bonding strength, and versatility across various porous substrates. It is non-toxic, solvent free and easy to clean up with water.

Applications:

Suitable for indoor wood joining, furniture repair, wooden frames, and woodworking projects which have limited exposure to high humidity. Not for continuous submersion or use below the waterline.

Available colour: Light yellow (Wet)
Yellowish transparent (Dry)

Features

- Water-resistant D2
- Indoor use
- Easy to spread
- High bond strength
- Fast curing
- Forms thin gapless layer when set
- Non-toxic, solvent free and low odour
