

Formulated For The Professionals

Adhesives & Sealants

VT-231 Heavy Duty Construction Adhesive

Construction Adhesive Sealant

VT-231 Heavy Duty Construction Adhesive is a construction adhesive sealant for general construction, remodeling, maintenance & repair projects. It holds most construction materials in place instantly, reducing bracing requirement. It has strong initial grab, superior adhesion and will not slump on vertical surfaces.

Applications:

Ideal for bonding most construction materials: wood (wet, treated, etc.), plywood, particleboard, hardboard, metal, concrete, polyurethane foam, stone, ceramic, and most large panel substrates.

Available colour: Beige

Limitation: Not recommended for Mirror & Polystyrene (Styrofoam).

Features

- Professional choice
- Non-drip paste
- Instant grab
- Bonds most materials
