# VT-240 Awning Caulk

## Awning Sealant

An oil-based caulk formulated to bond various types of common construction materials without primer. It has superior adhesion, good durability, and low shrinkage.

### Application:

Ideal for general sealing applications where only small amount of movement occurs. Well-suited for sealing applications for containers, roofs, external wall, window and door caulking etc.

**Available colours:** White, Grey and Black

Item Code	Content	Carton Quantity
VT-240	400 ml Cartridge	24 / Carton

### Features

- Outstanding durability
- Weatherproof
- Bonds most materials
