

Formulated For The Professionals

VT-131 Auto Sealer

Silicone Adhesive Sealant

A one-component, general purpose, black colour silicone sealant formulated for indoor and outdoor applications. It can be applied to horizontal or vertical surfaces. It will form a waterproof seal which resists oil, water, weather, vibration and grease. It does not dry out or become brittle.

Applications:

It seals, bonds, repairs, mends and secures glass, metal, plastics, fabric, weather-stripping and vinyl tops. It also be used to protect and repair electrical wiring, windshields, door frames, seams and roofs.

Available colours: Black
